QUILT

Silk and Wool fiber blend naturally improves surface breathability and maintains even body temperature. Also reduces allergy triggers and exposure to dust mites, molds, and fungi.

High quality, luxurious **Bamboo** stretch knit cover has breathable and moisture wicking properties which allow you to sleep cooler throughout the night. Bamboo is a renewable resource, making it better for the environment as well as you!

UPHOLSTERY

2" **Talay Latex** is buoyant and resilient, providing comfort and pressure relieving support without that "sink-in" feeling. Talalay Latex is naturally antibacterial, and has better quality and more durability than Dunlop latex.

CORE

7" Firm **Soy Foam** Core provides a stable base with uniform support and no motion transfer. Combined with a latex layer, the foam core provides spinal alignment and support. Soy based foams are higher in natural content and better for the Earth and you!

BASE

A solid wood base provides a strong foundation – this base is made from solid Canadian lumber which is replenished each year through our Forest for Tomorrow program.

AVAILABLE SIZES

- Single, Single Long, Double, Double Long, Queen & King

This product is made with earth-friendly **ECOTEX™** Soy-based foams

CertiPUR-US foams are tested and certified by an independent lab for quality and low emissions

Eco-Base – wood used in the foundation is replenished yearly through the **Forest for Tomorrow Program**
